TASK GROUPS & COMMITTEES

Upcoming classes

Training: Jon Kapis, Steven Lewis, Steve Schwartz, John Bennett

- The CAFAA board was provided an additional copy of the presentation and agreements with the Jensen Hughes Academy for the continuance of the online training program that was started in 2016. In addition to the updated agreement, CAFAA board was provided a copy of the current Jensen Hughes Academy catalog.
- The CAFAA board was distributed the agreement on September 25 and requested to review this information and decide on whether to commit to renewing the agreement by voting Yes or No by September 29, 2023 – It appear from the incoming votes, that there was a desire to renew the agreement. However, a final vote total or resolution had not been distributed. Joel Reitz provided an updated on the costs and a summary of the agreement to the board members on September 25, 2023.
- During the CAFAA General Meeting, a request was made to the attendees, for an individual to head up the training committee. John Sullivan of Engineered Monitored Systems volunteered to lead the training programs with assistance from Steven Lewis of RFI and others.
- On September 27, 2023 John Sullivan sent out a series of questions to Jay Levy, Steve Schwartz, Steven Lewis, Jon Kapis and Mahdi Bizhand in regards to the types of training and training needs. Further discussion was brought up regarding using 3rd party vendors to provide training services. Jon Kapis reiterated the discussions with Sagiv and the follow up meeting minutes were distributed to the board members for review on September 20, 2023. Subsequent discussion regarding the relationship between CAFAA and Sagiv's training courses, reiterated that Sagiv only offered the training classes in person and on Fridays. Additionally, the programs were the property of Sagiv.
- Discussions on both topics are still ongoing and appear to be led by John Sullivan.

CSFM Code Interpretations: Kirk Greenwood

- No new Code Interpretations

NFPA Report – Kevin Green

- The NFPA 72, 2025 edition; Second Revisions are now open for ballot and are due on **Monday, October 16, 2023, by 11:59pm (ET).**

CSFM/BML Report: Jay Levy

- BML Program is running smoothly, and all renewals should be done on time. I spoke with Victor about not changing the URL for the listing each year. Now that their new system it looks like this will be possible. Victor is check and if it can be done it will be brought up at the next CSFM advisory committee. This will save the manufacturers and distributors from having to update the links each year.
- Code Advisory Committee has created multiple task groups around Fire Alarms for Construction Site, Horizontal Exit 2 Way Communications Systems and CFC Language and definition corrections.
- <https://calfire.govmotus.org/> is now up and running for new CSFM Listing sheets.
- <http://osfm.fire.ca.gov>

HCAI – Joseph Cervantes

- No new updates for membership.
- <https://hcai.ca.gov/>

DSA: Sam Aviles

- Currently working on updates to the FLS related publications.
- Recommended that members frequently check the DSA website for the most current publications; signing up to receive messages and advisories is also recommended.
- <http://www.dsa.dgs.ca.gov>

SFPE: Jay Levy – So Cal, Joseph Cervantes – San Diego, Daniel Tate – Nor Cal

- Los Angeles SFPE Chapter to hold their annual symposium in November. Dates still to be confirmed, but believed to be on November 13th or 14th.
- Nor Cal SFPE – No Updates
- San Diego SFPE nominated an entirely new Board of Directors to move the chapter forward.
- Nor Cal <http://www.ncnsfpe.org>
- San Diego <http://sfpesandiego.org>
- Los Angeles <http://www.sfpesocal.org>

So-Cal FPOs: Joseph R. Cervantes

- Working on inspection checklist on all fire protection systems. Mr. Cervantes would like to see if any members are interested in joining a small discussion group to vet them out.
- So Cal Fire Alarm Devices Committee has 3 new code proposals that went to the Southern California Code Committee.
- Code committee to meet on 9/26/2023 on virtual call.
- Next meeting is Wednesday October 11. 2023 at the Target Distribution Mega Center
 - This will be a walking tour discussing the permitting process (High Pile Storage, offices, protection systems, AM&M, etc.) at Target's new 1.86 million square foot distribution center.
- <http://www.firepreventionofficers.org/divisions/south>

Nor-Cal FPOs: Joel Reitz

- The meeting in Davis was pretty limited as far as attendance.
- There weren't a lot of committee updates due to the limited attendance.

- The guest speaker was Bob Sullivan from NFPA regarding: NFPA 241, Standard for Safeguarding Construction, Alteration and Demolition Operations.
- The training topic for the next meeting will be on Flame Detection from Emerson (UVIR detectors – Industrial applications)
- There was a call for proposals for the CFPI meetings – looking for more 2hr vs 4hr sessions.
- Cary Yballa is wanting another plan review class for Central County to occur in December. Had conference call on the 25th of August with Cary to review changes to past classes Key topics include a focus on: Occupancy Types / requirements for fire alarm, tall buildings with Labs, B- occupancy with labs, would like some workshop / hands on examples and drawings similar to what Bill Greene used to put on, but less fire alarm contractor technical.
- The Annual Golf Tournament was held on 9/22.
- Next Meeting in Petaluma on 9/29
- October Meeting in West Sacramento on 10/27

LAFD/CAFAA coordination meeting – Kirk Greenwood, John Maitrejean

- Held on 8/22/23.
- 2023 LA City code adoptions currently in approval process with the City Council and will be effective 30 days after Council approval. This will be published with ICC for reference on the website.
- Adaptive reuse ordinance is currently being revised, will be referencing the CEBC sections that were incorporated into CBC
- Currently there are 6 department guidelines and requirements in the process of being changed, including Two-Way Comm Systems, BDA/ERCES Systems, Fire Alarm Sequence of Ops, and Residential Solar Systems
- There is a new signature card for rough inspections to help ensure all required systems are accounted for during initial stages of a building construction, instead of finding out the construction team forgot systems such as Fire Alarm, ERCES, Two-Way Comm, etc.
- Next meeting scheduled for 10/24/23.

Social Media – Daniel Tate & Joseph Cervantes

- No regular standing meeting. No group interaction.

Ethics Committee: Jay Levy

- No new items to discuss.

ERRCS Committee: Jay Levy

- The last meeting was on 5/5/23. Marked up agenda attached for reference.
- SBC completed their book and had it in distribution. We can use this for a training class, whether it be basic or advanced.
- SBC training June 22 in Fremont, and 29th in So Cal.
- There was a discussion about remote monitoring and control of the systems.
- Comba has a new training class for their level 3 certification.
- The ERCES flow chart that identifies the construction process was shared.

- There was significant discussion after the meeting related to what the most important item is to consider regarding the ERCES system. Many members feel there is too much focus on subjects like ratings, alarming, and documentation items and not enough on the core RF aspects.

Bill Hopple Educational Scholarship – John Maitrejean/Ivy Kiyomura, Daniel Tate/Frank Alvernaz

- Committee is currently updating the application for clarity for this upcoming year and will be ready to launch at annual conference.
- The website is updated showing this year's recipient, Shira Weiss-Ishai – who will be attending Columbia University this Fall.

2024 Conference - Ivy Kiyomura

- Recap plan for 2024 (and 2025) Conference with dual locations at Hilton Palm Springs & Palm Springs Convention Center
- Review of the 2024 Conference program & schedule
- Confirmed presenters and if any presenters still need to be found.
 - Need to confirm presenter for Intervening adoption CA fire code amendments for July 2024
 - AHJ Round table still needs a NorCal & SoCal, and AHJ panelist.
- CAFAA is in contract negotiations with a new venue for 2026+
- We will announce the new venue once the contract has been signed.

2023 Membership - Ivy Kiyomura, John Heath

- Haven't done much for membership, need assistance to do more.
- Open to being replaced for this position since I haven't been able to support much.

By Law Review Committee- Joseph Cervantes, Frank Alvernaz, Jay Levy

- The new suggested bylaw changes will be provided submitted to legal for review and subsequent Board vote in the December General Membership meeting to submit to the membership for review and approval at the General meeting in February.

Emails to FM – Joel Reitz & Ivy Kiyomura

New Business & Sharing of Ideas

- Insurance Program for Life Safety Industry – Kevin Green

CAFAA NFPA Technical Committee Representation

- Creation of the Codes & Standards Committee held to a vote
- Directed Vote, Responsibilities, etc.... (Bylaws?)
- Increase CAFAA visibility on Codes and Standards Committees
 - 1st – Joseph Cervantes 2nd Daniel Tate

Approved by majority of members present
