

# CALIFORNIA AUTOMATIC FIRE ALARM ASSOCIATION (CAFAA)

## Board of Directors Application

Each year position(s) on the Board of Directors may open and we are seeking qualified individuals that are dedicated to the Fire Alarm and Life Safety Industry to apply for a Board of Director's position.

Members of the Board of Directors are expected to attend all CAFAA General Meetings, the Annual Conference and any other in-person or online meetings that are called for by the CAFAA President or Board of Directors.

The Board of Directors are required to be on CAFAA committees, either by volunteering or as assigned to by the CAFAA President.

Participation as a CAFAA Board Member or Committee/Task Group Member will require time and financial commitments to attend CAFAA meetings. The Association does not compensate CAFAA Board, Committee or Task group Members for their time or travel expenses. All time and financial commitments are the sole responsibility of the Member or the Member's Employer.

Although not mandatory, the Association tries to balance the members of the Board of Directors equally between Northern & Southern California. The CAFAA Board of Directors can include Industry Manufacturers, Contractors, Consultants, and End-Users.

If you are interested in applying for a CAFAA Board of Director position, please complete the following application and submit it to [info@cafaa.com](mailto:info@cafaa.com). The questions below are intended to assist the CAFAA Board Nominating Committee in evaluating all Applications. Final confirmation shall be at the full discretion of the Nominating Committee and election by the Membership per the CAFAA Bylaws.
